Acting Director
Utah Division of Oil Gas and Mining
3 Triad Canter, Suite 350
Salt Lake City, Utah 84180-1203

Dear Mr. Braxton,

I appreciate the time that the Division gave me in the meeting held with Co-Op Mining Co. on 11 Feb. 1993. During that meeting I presented our plan to lease hunting rights within our property in the Bear Canyon Area and the required road to reach the higher elevations of the property. A letter, addressed to you, and a copy showing the proposed road location was hand delivered at the same time.

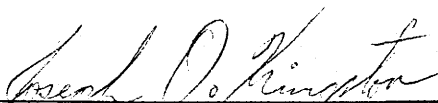

In order to access the area for this season we will be initiating construction on 1 August 1993. We have delayed this starting date from 1 June 1993 to allow time for coordination with Co-Op Mining Co. and their plans for expansion to the upper seam. Construction must be started at this time to provide access for leases and meet expectations for this years hunting season.

We appreciate your cooperation. Please contact me if you have any questions ((801)484-6988.

*I have please draft
a response to this*
